Glandovey/Heaton/Rossall/Strowan intersection – investigation works (Night Works)

What	We'll be working on the road investigating the location of underground services.
Why	These works will confirm what is under the road and will help us to plan work in the area as part of work to support the Northwest water and traffic upgrades programme.
Where	The intersection of Glandovey Road, Heaton Street, Rossall Street and Strowan Road.
When	Sunday 12 and Monday 13 April 2026, 7pm to 6am (weather/site condition dependent).
Contact	The contractor is Isaac Construction. Phone Communications Advisor on 021 314 5534 or email communications@isaac.co.nz .

Details

In the evenings on Sunday 12 and Monday 13 April 2026, we'll be completing investigation works at the intersection of Glandovey Road, Heaton Street, Rossall Street and Strowan Road.

Impacts

- During work hours, a four-way stop go will be in place at all approaches to the intersection.
- Traffic will be able to travel through the intersection from all directions.
- Traffic management impacts will be removed during the day.

Isaac Construction will provide more information about this work through their channels.

To receive updates, please scan the QR code or get in touch using the details above.

Information for road users

- Cyclists will need to merge with traffic through the site.
- We'll need to temporarily remove on-street parking to allow space for the works.
- Please take note of all signage.
- A 30 km/h speed limit will be in place so we can keep our team and everyone safe.

Thanks for your patience as we work in your area

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

Safety is our biggest priority so please keep children and pets away from worksites.

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.

Information for residents and businesses

- Access to properties will be impacted at times. We'll aim to provide advanced warning where possible.
- We will help people to get around the site. Please advise our team if you have specific requirements e.g. medical visits, large deliveries, home help or any planned works.
- There will be increased construction noise and vibration at times, and we will do our best to keep this to a minimum.
- The work will have no impact on any services such as electricity, telecommunications and gas.
- The timing of the work and certain activities will depend on the weather and the roads.
- Please put your bins out as usual by 6am on your collection day. Our team will move them and return them.

We know this work can be disruptive and we appreciate your co-operation and understanding.
