Wairakei Road railway crossing – signal upgrades

What We're upgrading the traffic signals at the railway crossing on Wairakei Road (near Jeffreys Road) as part of a project to upgrade traffic signals in this area.

Why These signals are at the end of their service life and need to be replaced.

Where Wairakei Road railway crossing, Strowan.

When 16 February 2026 to 13 March 2026. Monday to Friday, 7am to 6pm (weather/site condition dependent).

Contact The contractor is Isaac Construction. Phone Communications Advisor on 027 314 5534, Monday to Friday, 7am to 6pm, or email communications@isaac.co.nz.

Details

We're upgrading the signals at the railway crossing on Wairakei Road. We'll be working during the day from Monday, 16 February 2026 to Friday, 13 March 2026.

Traffic Impacts

- Traffic along Wairakei Road and Strowan Road near the work area will be maintained in both directions under a stop/go system.
- There will be no exit from Westholme Street onto Wairakei Road.
- There will be no left turn from Wairakei Road onto Jeffreys Road.

Isaac Construction will provide more information about the work through their channels. **To receive updates, please scan the QR code or get in touch using the details above.**

For more information on the wider project, go to ccc.govt.nz/Wairakei-Road-signals-upgrades.

Thanks for your patience as we work in your area

- Noise**
- Safety**
- Bins**
- Other projects**

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

Safety is our biggest priority so please keep children and pets away from worksites.

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.

We're working in your area

Information for road users

- Cyclists will need to merge with traffic through the site.
- We will temporarily remove on-street parking to allow space for the works. Local businesses in the area will remain open during this work.
- Please follow all signage and crew directions.
- A 30 km/h speed limit will be in place so we can keep our team and everyone safe.

Information for residents and businesses

- Access to properties and businesses for vehicles, pedestrians and cyclists will be impacted at times. We'll aim to provide advance warning where possible.
- We will help people to get around the site. Please advise our team if you have specific requirements e.g. medical visits, large deliveries, home help or any planned works.
- There will be increased construction noise and vibration at times, and we will do our best to keep this to a minimum.
- The work will have no impact on any services such as electricity, telecommunications and gas.
- The timing of the work and certain activities will depend on the weather and the roads.
- Due to the nature of the intersection, night works may be required during this project. **Residents and businesses in the area will receive notification about this prior to work.**

We know this work can be disruptive and we appreciate your co-operation and understanding.
