

WHAT Two-way lane shift, temporary footpaths, cyclist merging, 30kmph

WHERE From Lincoln Road to Cobham Street

WHEN August 24th from 7am to **27th November 6pm**

WHY To enable the construction of the Nor'West Arc Cycleway on behalf of CCC

TRAFFIC IMPACTS

- This update to the current work notice is to advise residents that our work programme has been extended through to the 27th of November due to a number of unforeseen circumstances that arose during the first phase of the upgrade work along Domain Terrace.
- We will continue to maintain pedestrian access where possible, with alternative routes clearly marked where applicable.
- We will continue to maintain residents' access where possible as we work predominantly on the western side of Domain Terrace constructing the shared path.
- We appreciate there is a lot of construction going on in the area and our crews are working hard to minimise the duration of our disruption in the area.

General Information:

   Please contact Isaac Construction on 03 359 9145 if you have any specific access requirements that we need to consider e.g. nurse/doctor visits, Meals on Wheels, or planned works on our

   There will be increased noise, dust and vibration levels.

  Works will have no planned impact on current power, telecommunication of gas services. However, the network is still fragile so please be prepared in case there is an unexpected service cut off.

 All works are subject to favourable weather and on-site construction conditions.

 Your rubbish and recycling will not change. Please put your bins in the normal spot by 5:00pm the night before collection and our crew will move and return them if needed.

 Safety is our number one priority. Safety is your responsibility too. Stay clear and stay alert - keep children and pets at a safe distance from the work site.

 Our standard work hours are Monday to Friday between the hours of 7:00am to 6:00pm, however sometimes we will need to work at night to complete the work. We will notify you before we do this.

We're working in your area

Domain Terrace - Update
