Nor'West Arc Cycleway

Annex Road underpass to Lincoln Road

What Cycleway, footpath, kerb and channel, road construction, drainage network upgrade

Where Annex Road from the motorway underpass to Lincoln Road

When Monday 24 August to Monday 26 October – hours of work Monday to Saturday, 7am-6pm

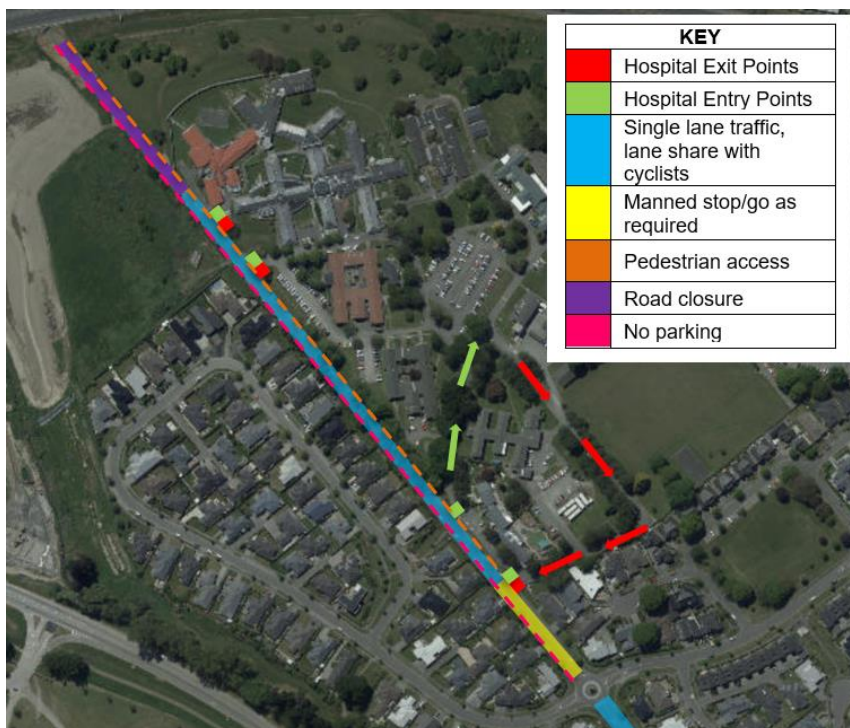

Why To enable the construction of the Nor'West Arc cycleway. Our network of cycleways are making it safer and easier for people to cycle. More people cycling eases the pressure on our roads.

Traffic Impacts

- From the roundabout to the childcare centre there will be a manned stop/go at a later stage of the works.
- From the childcare centre to the last hospital access, a single lane will be controlled by traffic-lights. Pedestrians will have a separate access way; cyclists will share the lane with traffic.
- The road will be closed from the last hospital access to the motorway underpass for vehicles, however a shared path will be available for pedestrians and cyclists.
- All access points into the hospital will be maintained, exits will be via nominated exits as shown below.
- There will be parking restrictions in place as shown on the map below in pink.
- Access to residents' driveways will be maintained where practical. Any work planned across a resident's driveway will be brief and at an agreed time.

General Information:

Please contact Isaac Construction on 03 359 9145 if you have any specific access requirements that we need to consider e.g. nurse/doctor visits, Meals on Wheels, or planned works on our

There will be increased noise, dust and vibration levels.

Works will have no planned impact on current power, telecommunication or gas services. However, the network is still fragile so please be prepared in case there is an unexpected service cut off.

All works are subject to favourable weather and on-site construction conditions.

Your rubbish and recycling will not change. Please put your bins in the normal spot by 5:00pm the night before collection and our crew will move and return them if needed.

Safety is our number one priority. Safety is your responsibility too. Stay clear and stay alert - keep children and pets at a safe distance from the work site.

Our standard work hours are Monday to Friday between the hours of 7:00am to 6:00pm, however sometimes we will need to work at night to complete the work. We will notify you before we do this.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.
