Traffic Impacts

- **From 7pm to 11pm on Tuesday 24 November**, traffic will be reduced to one lane under stop-go control.
- Work will involve the use of a concrete saw which will have the biggest noise impact and this will be from 7pm until 9pm (at the latest). Following this, the work will have a low level of noise disruption for residents.
- Residents will have access to their driveways, however if there is a short period where we have to restrict access, our supervisor will discuss individual access needs with affected residents directly.

General Information:

Please contact Isaac Construction on 03 359 9145 if you have any specific access requirements that we need to consider e.g. nurse/doctor visits, Meals on Wheels, or planned works on our

There will be increased noise, dust and vibration levels.

Works will have no planned impact on current power, telecommunication of gas services. However, the network is still fragile so please be prepared in case there is an unexpected service cut off.

All works are subject to favourable weather and on-site construction conditions.

Your rubbish and recycling will not change. Please put your bins in the normal spot by 5:00pm the night before collection and our crew will move and return them if needed.

Safety is our number one priority. Safety is your responsibility too. Stay clear and stay alert - keep children and pets at a safe distance from the work site.

Our standard work hours are Monday to Friday between the hours of 7:00am to 6:00pm, however sometimes we will need to work at night to complete the work. We will notify you before we do this.

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services.

Safety

Safety is our biggest priority so please keep children and pets away from worksites.
