But downloading or streaming movies from such platforms comes with serious risks.

⚠️ Dangers of Downloading Movies from Filmyzilla

❌ Legal Trouble

Filmyzilla is a **torrent-based illegal site** banned by the Government of India. Downloading or streaming content from this platform is a **violation of the Indian Copyright Act**, and users could face fines or even jail time.

🦠 Malware & Viruses

Many pirated websites are loaded with **malicious ads**, pop-ups, and hidden malware that can:

- Steal your personal data

- Damage your device

- Install ransomware

😓 Poor Viewing Experience

Pirated prints usually have:

- Bad audio and video quality

- Watermarks or foreign subtitles

- Interrupted scenes and poor edits
