## Leather Side Table

Designed by Ronan and Erwan Bouroullec, the Leather Side Tables are covered with a high-quality, robust split leather. Precisely crafted with decorative seams, the leather covers give these side tables a rich, warm look and pleasant tactile feel. The aesthetic appeal of these sophisticated tables lies in the contrast between the thin, planar table tops and the volumetric, plinth-like bases.

The Leather Side Tables are available with covers in the colours nero or chocola-

te and in the sizes small or medium.

## Materials

- **Table top and base:** bent and welded sheet steel, covered in split leather.
