

**Tonne**

Inspired by two of Milan's most iconic objects—the Christmas bread 'Panettone' and the city's iconic concrete bollards—the Tonne table adds a renewed sensibility to outdoor café and restaurant spaces. A raised—or perhaps perfectly leavened—cylindrical base gives the table an inviting feel while also providing durability and stability.

# Tonne

## Information

### Design

Alexander Lotersztain, 2018

### Environment

Outdoor

### Warranty

5 year structural

### Materials
