Weight

110kg
107kg

Packaging Type

Crate
Crate

Notes:

Stable, strong and durable, suitable for general contract use.
Not usable for outdoor use.
Avoid contact with heat sources.

Cleaning Guidelines

Upholstery cover: dust can be removed by brushing with a garment brush. For stains consult professional upholstery cleaner.
Powder-coated steel frame: the chair frame should first be dry dusted with a clean lint free cotton cloth. If wet cleaning is required then the item should be cleaned using a soft, slightly damp sponge with a mild detergent and water solution. It then must be immediately cleaned again with a soft dry cloth.
