

SCALE-MEDIA. CONFERENCE TABLES

DESIGN: WOLFGANG C. R. MEZGER.

Table top

- Shapes: rectangular, boat-shaped and trapezoidal.
- Finishes: fine-textured paint, .03 paint white, HPL laminate, fenix®, linoleum or veneers from price groups II, IV, V, VI.
- Type of edges and thickness of tops: straight edge: thickness 42 mm; chamfered edge: thickness 42 mm tapered to 13 mm (for an upcharge).
- Optionally, a rounded corner radius (radius R40) is available for trapezoidal and boat-shaped table tops (radius R190) for an upcharge.

Table frame

- Panel leg: thickness: 9 cm. Height: 70 cm.
- Panel leg with rounded edge: thickness: 9 cm. Height: 70 cm.
- Prismatic panel leg: height: 70 cm. Clear height: 70 cm.
- Solid base: height: 70 cm. Clear height: 70 cm. Widths and depths vary depending on the size and shape of the table top.

Widths and depths vary according to table top shape and size.

Finishes: fine-textured paint from price group II. - .03 paint white (for an upcharge).

Equipment

Leather mid inlay

- conference tables can be equipped with a leather mid inlay in leather congress PG 55 (for an upcharge). For trapezoidal table tops, the leather mid inlay runs until table edge (see image). Not available for art. no. 5560-85.

Connectors

- all conference tables can be equipped with connectors. For this purpose, a management package is needed for tables with all panel legs. This is noted for each article. Connectors can be combined with leather mid inlays and are placed at both ends of the inlay. An additional placement within the leather mid inlay only on request.

Cable management set

- tables with panel legs/prismatic panel leg: available, for an upcharge, tables can be equipped with a vertical cable channel and a cable tray (W 47 cm, D 16 cm) under the table top (see cable management set).
- Tables with solid base: the base is used for vertical and horizontal cabling. No additional cable management set is required.

Seat widths	To accommodate different chair widths, tables are scaled to three different seat widths (75, 80 and 85 cm). Please specify scale with the ordering number. You will find chair widths for Walter Knoll chairs in the price list Seating & Dining.
Ordering notes	<p>Please indicate the finish (number) of the panel legs or base.</p> <p>– Ordering example 1: table 5500 With seat width 75, table top in .95 oceanic walnut, panel legs in .106 fine-textured paint black = order no. 5500-75.95 + panel leg colour no. .106.</p> <p>– Ordering example 2: table 5527 With seat width 80, table top in .70 linoleum black, base in .03 paint white = order no. 5527-80.70 + base colour no. .03.</p>
Information	Not available in Fenix: 5531, 5515, 5555, 5527, 5532, 5528, 5533, 5530, 5535.

Versions:

All listed versions are available in table sizes with 8, 10, 12, 14, 16, 18 seats.

Exceptions: Tables with 8 seats are only available with (prismatic) panel legs. Tables with 16 and 18 seats are only available with solid base.

Trapezoidal tables are only available in table size with 10 seats.

Veneer direction:

One-piece table tops up to 275 cm width are veneered lengthwise.

Wider table tops are cross veneered.

Multi-piece table tops are cross veneered. (Veneered lengthwise on request).

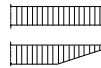

< 275 cm

> 275 cm

Edge versions:

All table tops (thickness 42 mm) are available with straight edge as well as with chamfered edge tapered to 13 mm (for an upcharge).

Corner geometry:

Boat shaped and trapezoidal tables are available with rounded corner radius (for an upcharge).

Table square

The table with square table top (rounded polygon) is only available with solid base.

It offers space for 8 seats.

See above for types of edge (straight or chamfered).

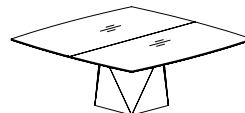

Table versions with connectors and or leather mid inlay

Every conference table can be equipped with plug-ins for power and different media connectors.

All listed versions are available for all table sizes and table legs - (prismatic) panel leg and base.
(Images show tables with panel legs for 10 persons)

Please note:

- for tables consisting of several parts, the leather mid inlay is set butt-joint
- for tables with panel (prism) legs an additional cable management set is needed
- within the upcharge for the leather mid inlay the installation of two connectors is foreseen at the end of the leather mid inlay;
installation of more than two connectors on request
