

TOUT VA BIEN

bd

Designed by Antoine+Manuel, the Tout Va Bien cabinet is a textural masterpiece. Antoine Audiau and Manuel Warosz are Parisian graphic designers who developed the Tout Va Bien for BD for the 2009 Salone Del Mobile. It is both tactile experience and cabinet. It is covered by relief patterns from applied arts, hieroglyphic language, fantasy and optimism. The cabinet is modular and fits into various spaces in different configurations while sitting on four different leg styles. It is fantasy in furniture.
