

## Cube Pen

Part of a rapidly evolving stationery collection, Cube is an exercise in absolute minimalism. Made from zinc alloy, copper-plated and lacquered to finish, our Cube rollerball pen is stripped back to its bare essentials. Subtle indentations on the side allow for a firm grip. Minimalism for the modern writer. Family also includes a Stapler, a Tape Dispenser and a Desk Tidy. Presented in gift packaging.

Process	Made from zinc alloy, copper-plated, polished and lacquered to finish. Etched logo.
Year of Design	2015
Material	Zinc alloy with a copper plate.
Product Code	CUPEN01
Colour	● Copper
Cleaning Instructions	Clean with soft dry cloth. Do not leave submerged in water. Surface patina will appear over time due to the nature of the material. Takes standard refill, available for purchase at your local stationery store.
