## THE ORIGINAL

Salute is a family of tables mixing marble and metal for a high visual impact. As an occasional table, Salute is the perfect companion to your iconic armchair or next to a comfy sofa, with its clean lines and yet strong personality and impact. As a combination of tables, it is a sculptural coffee table that you can customize and adapt both in dimensions and colors.

The Salute table exists in 3 sizes, 3 different marbles for the column and 4 different finishes for the tray for a virtually endless number of configurations. In addition, Salute can be made bespoke with special colors materials and stones.
