FRANCE

France is a hyper graphic rug, typical of Nathalie du Pasquier's iconic designs from the Memphis movement of which she was the graphic designer in the 80's.

Nathalie used the colors of the French flag for her first collaboration with a French brand. France is a comfy graphic puzzle made of the best quality wool.

THE DESIGNER

Nathalie du Pasquier was born in Bordeaux (France) in 1957, she has lived in Milano since 1979.

Until 1986, she worked as a designer and was a founder member of Memphis. She designed numerous «decorated surfaces»: textiles, carpets, plastic laminates, and some furniture and objects.

In 1987, painting became her main activity.
