

BLOC⁺

Catalogue

BLOC+ is a system of modular furniture components that give each customer the power to configure spaces

A distillation of Caon Design Studio's extensive experience devising award-winning aviation interiors, the collection is designed to provide support for long haul leisure and work activities, and is built to facilitate extensive days spent in today's deconstructed office environments.

It is a modular micro architecture that allows for the freedom and flexibility to shape one's own environment.

Focused Work Assemblies

Within the landscape of the modern, open plan work environment, **BLOC+** is able to create opportunities for quiet work in a multitude of sizes and configurations. Infinite solutions for work bays can be achieved to create everything from a bank of hot desks to executive level micro architecture.

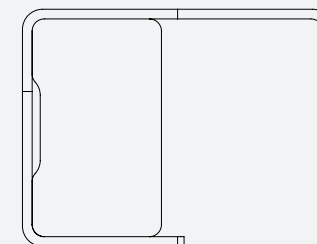

Focus Desk

Materials as shown

- Screens upholstered in Kvadrat & Maharam with end cap in solid American oak
- Table top in American oak
- Coat hook in brushed aluminium
- Hanging shelf bracket in powder-coated steel

1400mm (H) x 1470mm (W) x 1920mm (D)

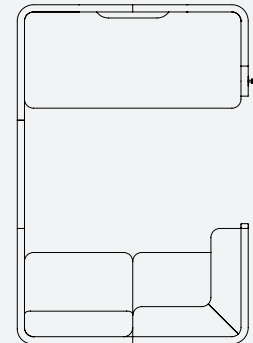

Executive Suite

Expanded to 1920mm wide and combined with seating and a lit, open-frame shelf corner, this configuration creates an essential executive mini-suite.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in American walnut
- Coat hook in brushed aluminium
- Library corner in first grade plywood with American walnut veneer
- Shelf bracket in powder-coated steel

1400mm (H) x 1920mm (W) x 2820mm (D)

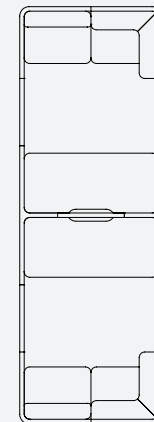

Executive Double Suite

Mini suites in a mirrored assembly allow designers to create an executive zone within a project layout. Open library partitions on the corners allow reduce privacy but allow light and display.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in American oak
- Coat hook in brushed aluminium
- Library corner in first grade plywood with American oak veneer
- Shelf bracket in powder-coated steel

1400mm (H) x 1920mm (W) x 5580mm (D)

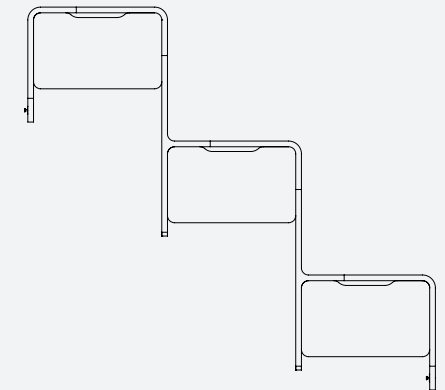

Triple Booth Staggered

A triple configuration of mid sized executive desks arranged on an angle allow privacy between users as well as a dynamic layout within the space.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in American walnut
- Coat hook in brushed aluminium

1400mm (H) x 4290mm (W) x 4030mm (D)

Collaborative Working & Meeting Configurations

BLOC+ provides a vast range of options for collaboration in the modern work environment.

Via different configurations, **BLOC+** is able to create the right environment, from private meetings for two users to round table workshops for large groups. With power and lighting available, meetings are able to run long into the night.

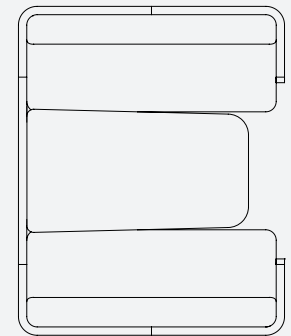

Booth Meeting

This meeting booth accommodates up to four users in a private setting. Capable of provisioning both power and integrated media, it is a highly functional addition to work arenas.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in American oak
- Coat hook in brushed Aluminium
- Hanging media bracket in powder-coated steel

1400mm (H) x 1920mm (W) x 2370mm (D)

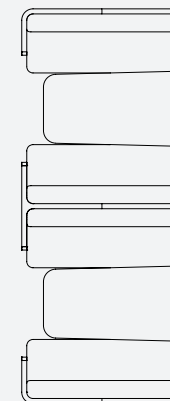

Meeting Booth Double

The classic meeting booth can be configured in sets to create a meeting destination. With great sound absorption between booths, these configurations create excellent efficiencies within layouts.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in American oak
- Table base in powder-coated steel
- Coat hook in brushed aluminium
- Hanging media bracket is powder-coated steel

1400mm (H) x 1920mm (W) x 4680mm (D)

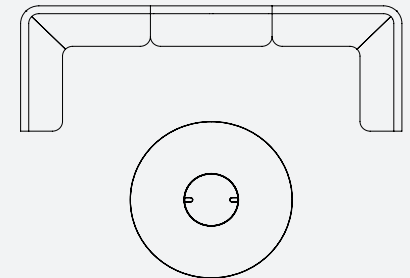

Libaray Meeting

Combining free-standing partition elements with a work-height drum table creates an open and warm workshop space for collaboration. Shelving lends light and display while creating a classic aesthetic in the office.

Materials as shown

- Library screens in first grade plywood with American walnut veneer
- Drum table top in linoleum with American walnut edge
- Drum table base in laminate

Shelving

1400mm (H) x 2820mm (W) x 960mm (D)

Table

720mm (H) x 1200mm Ø

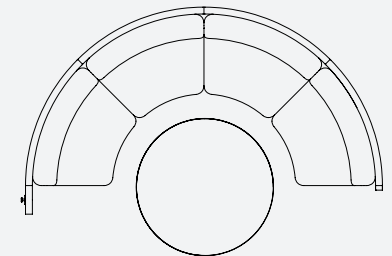

Huddle Meeting

This huddle booth accommodates up to four to five users in a semi-private setting, creating an open and warm workshop space for collaboration.

Materials as shown

- Screens upholstered in Kvadrat & Maharam
- Table top in linoleum with American walnut edge
- Table base in powder-coated steel
- Coat hook in brushed aluminium

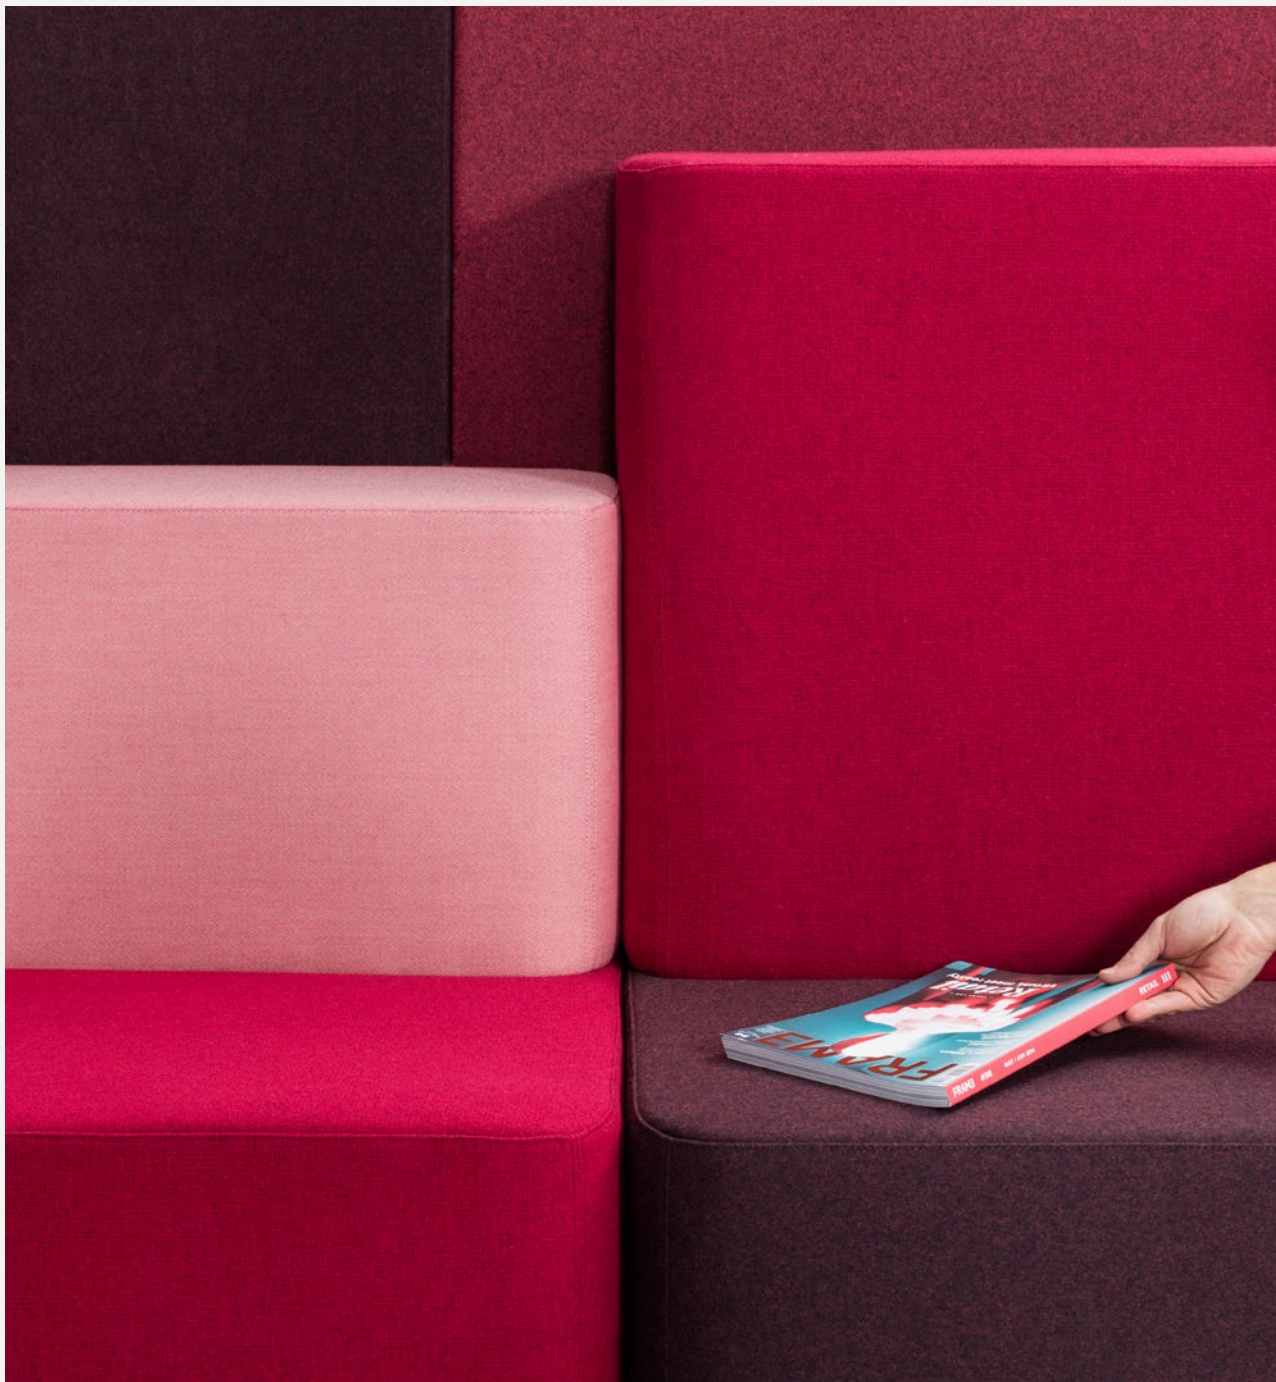

Seating and Screen

1400mm (H) x 3120mm (W) x 1810mm (D)

Table

720mm (H) x 1200mm Ø

Open Gathering Social Spaces

With its range of simple and considered components, **BLOC+** is able to create sculptural assemblies in open spaces for people to gather and pause in between meetings and workshops.

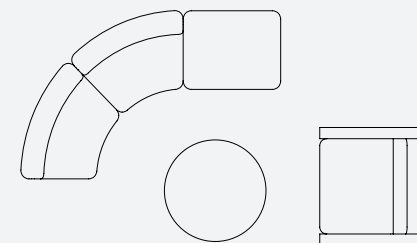

Huddle Home Breakout

Combining free-standing seating elements with versatile table top surfaces creates a relaxed environment ideal for lounging, casual meetings and multi-purpose reception areas.

Materials as shown

- Lounge upholstered in Kvadrat & Maharam
- Side table top in solid American oak and a powder-coated steel base
- Low table top in linoleum with American oak edge and powder-coated steel base
- Transit Chair upholstered in velvet

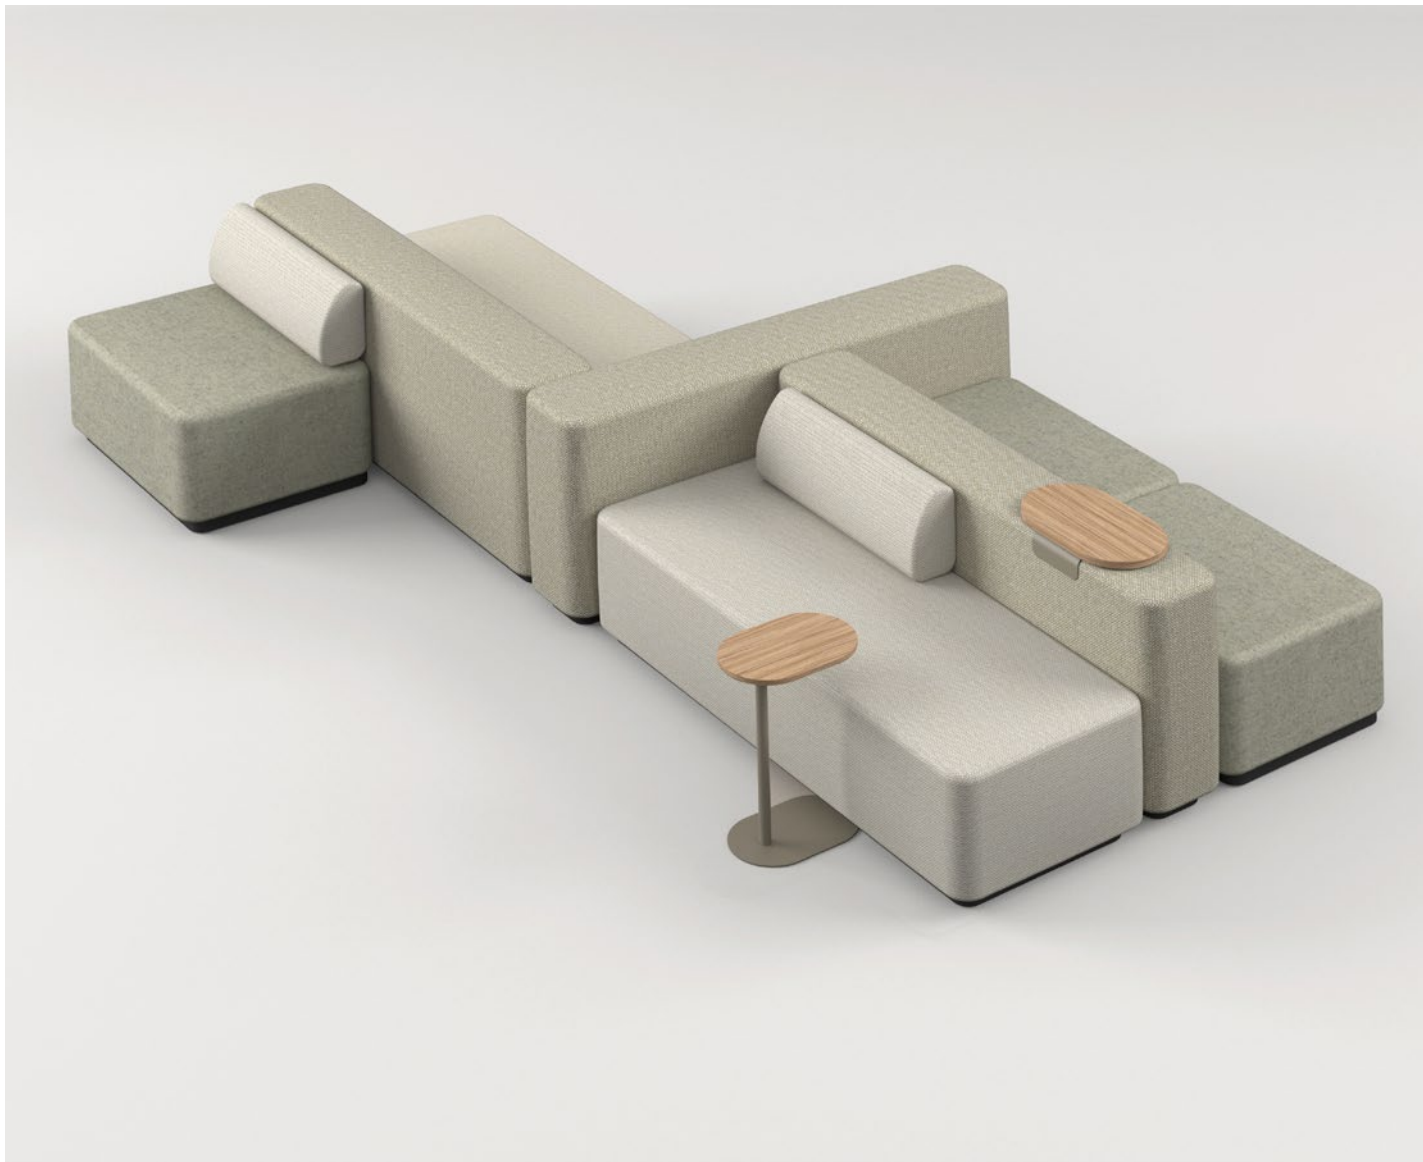

Seating and Chair
