

HermanMiller Collection

Crosshatch™

Designer

E00S for Geiger

Original Production Date

2014

Warranty

12 years

The Crosshatch is the very definition of versatile, traveling from home to office with ease. Lightweight and transparent the design employs both handcrafting and technology in its production, using a minimum of materials in surprising ways. Every part can be easily repaired or exchanged. The parachute cord is available in four colors; the frame in either an ash or walnut in a range of Geiger textiles.
