

- Construction** – wooden/metal construction
- Frame** – single plastic feet (black) with stopper
- Upholstery** – seat cushion: cold-cured foam with memory foam, wadding cover and micro pocket spring core
- Arms** – high, adjustable backrest/armrest (upholstered)

- arm- and backrest are interchangeable
- cold-cured foam with wadding cover

**Information**

- Please note that the upholstery finish is deliberately casual. Some creasing of the cover is intentional and not a quality defect.

The covers can be removed and replaced on site with some expert knowledge (for more information, please refer to the operation instructions). For information on the basic cleanability of the covers, please refer to the sewn-in care label. We are happy to offer you a cover change by our specialist staff on site. For more information, please contact us via email: [customerservice@walterknoll.de](mailto:customerservice@walterknoll.de)

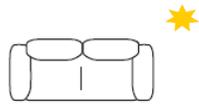

You can find more detailed information on seam patterns for fabric and leather in our pCON data.

Delivery: The backrests are delivered disassembled and can be fitted on-site.

**Cushion**

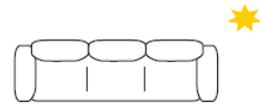

- Optional available comfort cushion: 302-CK5
