

Brew Cafetiere

A proper cup of coffee in a proper copper coffee pot. Tall and tactile with futuristic art deco looks, the Brew cafetiere is precision-engineered to ensure smooth and easy plunging and pouring. Its brushed steel interior contrasts with its simple but striking high-shine finish achieved by condensing vaporized copper on the exterior surface. The result is a sleek, sturdy cafetiere – the centerpiece of the coffee ceremony.

Process	Sheet stainless steel, deep drawn and formed by multiple complex tools. This product is then polished and copper PVD is applied to the outside of the product to finish. Inside finish is brushed stainless steel.
Year of Design	2015
Material	Brushed stainless steel with copper PVD finish.
Product Code	BRWCF01
Colour	● Copper
Cleaning Instructions	This product will age well if cleaned correctly after use. Not dishwasher safe. Do not leave submerged in water. Always rinse before use. Wash in warm soapy water and dry with a soft cloth. Customers should avoid using abrasive agents, as well as any cleaning fluids containing bleach, acid and ammonia.
