About us

Servicing the Cassowary Coast for the past 3 decades, Innisfail Chemex is a diversified business offering friendly and professional service. Innisfail Chemex is an **Australian locally owned and operated** family Company. The directors are Wayne and Lynden Toy working with their son Darren.

Visit Innisfail Chemex for help **solving any problems** you may have. All problems seem unique at the time, but often the solution is close at hand and a **crisis can be avoided**. To maximise your time and to allow you to spend more time with the family call on Innisfail Chemex regularly. We are here to help.

Proud to support and sponsor the local community.
