

Are you **Building,**
Extending or adding
a **Pool ?**

**Then you Need a
Water Tank!!**

Consider the benefits of having
your own 20,000 litres plus
Underground Water Supply...

"Put your tank under your
driveway or bury it in
your garten"

With a Coolamon Tank the possibilities are endless...

**Live Without Water
Restrictions.**

**Have ample water
for all your outdoor
needs.**

**Bury your tank
in your garden.**

**Incorporate your
tank in your
outdoor living
space. Build a
pavilion on top.**

**Or simply place
a daybed on top
and relax.**
