

## WHO WE ARE

MS Dental is located in Cardiff and Singleton in Hunter Valley. We have four (4) General Dentists who practices General Dentistry such as check-up and cleans, fillings, extractions, crowns, bridges, root canal therapy and teeth whitening.

Dr. Monika Shah, our principal dentist, has a special interest in clear aligners, Myobrace, laser treatments and implant surgery. Since 2016, Dr. Shah has continued to grow her knowledge related to the growth and development of infants and children. Her staff are equipped with the right understanding, interest and knowledge by attending various courses in the same fields.
