ABOUT OUR TEAM

So what's it all about?

Our logo tells our outdoor story. Like our customers who spend their life outdoors, we do too and we wanted an image that says just that. The stylised P for Posties is different things to different people. It's a mountain top and a watercourse, a garden shed roof, a pitched camp and a fish hook, all held within an abstract Australian coastline. That's a big range for a single logo. A bit like our huge range on a single shop floor. If you live, work or play outdoors, we've got you covered.

Take A Walk On The Wild Side

From fishing gear to caravan repairs, boat servicing and power equipment, Posties Outdoors is the place to go for all things in the wild. We're passionate about outdoor living and we stock an unbeatable range of outdoor supplies to prove it. So, what do you need?
