

# ***BULLETIN NUMBER: 1***

***DATE/TIME: 24/11/25 09:00***

The Organisers wish to advise Competitors of the following changes:

1: The published Event Schedule is subject to the following changes:

-SS 4 Baker's: The total time allowed has been increased by 5 minutes to 37 minutes in total;

-Liaison 4 from Regroup 2 Out (TC6C)-Hollowood's has a total Time Allowed of 38 minutes (including refuel); whilst the Roadbook and Road Cards indicate the correct Time Allowed, the Schedule incorrectly lists 18 minutes.

A new Schedule will be published via Sportity prior to the Event.

2: Given changes to the published schedule, Competitors are advised that the finish time for Division 4 may enter into sunset/dusk light conditions, particularly for those in the lower half of the field. Whilst it is not envisaged that competitors will be traversing competitive stages in darkness, the fitment of Driving Lights is encouraged. The final Liaison to the end of Division 4 may be in darkness for some competitors.

3: The penalty for Late Check in at a Time Control shall be 5 seconds per minute late. This is in line with the Motorsport Australia Rally Standing Regulations-Special Stage Rally (RSR 4.3 ix). For early arrival, 60 seconds per minute or fraction of a minute will still apply.

4: Competitors are advised that only registered Service Vehicles will be permitted in the Service Areas and Refuel Zones.
