

2026 Bago Rally

Bulletin 2 - 20 March 2026

1. Further updates to AMSAG Vehicle Safety Regulations

Important Notice from AMSAG Chief Scrutineer Joe Chapman regarding an upcoming change to the AMSAG Vehicle Eligibility and Safety Regulations. The following change was unable to be ratified prior to the event, however it will become mandatory from 30 March 2026 onwards. For the Bago Rally, the following is Highly Recommended.

Update to Vehicle Safety Regulations - "All rally vehicles using an electric fuel pump must include an automatic shut off system which shuts off the power to the fuel pump when the engine stops or stalls with the ignition in the on position."

2. Change to Supplementary Regulations - Event Scrutineer

Event Scrutineer will be Mark Bramble.
