

SUPPORT FOR YOUR CHILD

Every child and family is unique.

We work with you to tailor a range of supports that will help your child reach their goals, and support your family to live your best possible lives.

Our highly skilled and dedicated team deliver programs designed for young people with disability, including ***Short Term Accommodation, Respite Services and Residential Care.***

We focus on building skills around community participation, independence, daily living, emotional regulation and social development.

Person-centred approach.

The foundation of our approach is putting your family and child's needs and preferences first. Our highly-qualified team are trained in support strategies for Autism Spectrum Disorder, Positive Behaviour Support, high needs care and person-centred practice.

We can help your child with:

- gross and fine motor skills.
- daily living skills for older children.
- shopping and budgeting skills.
- emotional regulation guidance.
- building communication skills.
- socialising.
