Cosmos

MONDOLUX™

Introduction

Introducing Cosmos, a highbay with switchable power and CCT, making it a versatile fitting to suit various applications such as; warehouses, logistics centres, production workshops, storage facilities, commercial spaces, and retail stores. Cosmos offers a practical and great value lighting solution with flexible options.
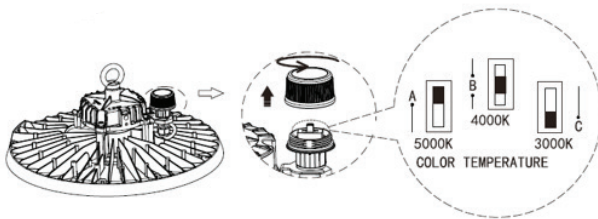

Key Features:

- Lumen Efficiency: 150lm/W
- System Power: 80W/100W/120W/150W
- Beam Angles: 60°/90°/120°
- Aluminium Housing
- PC Optical Lens
- IP65 & IK08
- L70 >65,000 hours
- Accessories: PC/Al. Reflectors, Adj. Mounting Brackets & Plug-in Motion & Microwave Sensors
- CCT: 3000K/4000K/5000K
- CRI: >80

Features

CCT Switch

Power Switch

Dimensions

⌀ 298mm

ø298 (11.73")

ø25 (0.98")

68 (2.67")

167 (6.57")

Cosmos

Accessories - Standard

Optic Lens
High transmittance PC materials, UV test approved.

Aluminium Reflector
Various beam angles, anti glare effect, black/silver colour options.

PC Reflector
90°PC reflector with lid.

Plug-in Motion Sensor
12V DC input, IP65 rating, max detect height is 15m.

Accessories - Optional

Safety Chain
304 stainless steel, available in 0.25m, 1m, 1.5m and 5m long.

Adjustable Bracket
±30°/±45°/±60°, SPCC materials with outdoor powder coating.

PIR Sensor
12V DC input, IP65 rating, max detect height is 15m.

Remote Control
For motion sensor and PIR sensor.

Code Information

Family Code +	Product +	Installation Type +	Colour +	Beam Angle +	CCT +	Power +	Dimming Type +
MH = Mondolux Highbay	60 = Cosmos	SU = Suspension	2 = Black	W = 60°	830 = 3000K	80W	0 = Non-Dimmable
				F = 90°	840 = 4000K	100W	
				L = 120°	850 = 5000K	120W	
						150W	

Example: MH60SU2W-840-080W0
