Nomination criteria

The purpose of this award is to get more young people into vocational education and training when they leave school and to celebrate the achievement of secondary students enrolled in vocational programmes of learning. Vocational education and training helps students develop the skills, knowledge and attributes they need to perform a specific role and build a career in an industry.

Every school that offers vocational programmes of learning to their students has a potential Award winner. To guide your nomination, you may want to consider a holistic assessment of the following factors. Please use the following criteria to guide your nomination of a student:

- Achievement of or on track to achieve NCEA Level 2
- Participation in Trades Academy, Secondary Tertiary Programmes or Gateway Programmes
- Achievement of or on track to achieve a Vocational Pathways Award (Creative Industries, Primary Industries, Service Industries, Social and Community Services, Manufacturing and Technology, Construction and Infrastructure)
- Success in vocationally-oriented subjects offered by the school
- Participation in available courses or programmes that contribute to success in their chosen pathway e.g. driver's license courses
- Evidence of a clear pathway from schooling into further vocational education, training or employment.
