## Nomination criteria

The purpose of this award is to get more young people into vocational education and training when they leave school and to celebrate the achievement of secondary students enrolled in vocational programmes of learning. Vocational education and training helps students develop the skills, knowledge and attributes they need to perform a specific role and build a career in an industry.

Please use the following criteria to guide your nomination of a student.  
Factors you may consider include:

- Achievement of, or on track to achieve, NCEA Level 2.
- Participation in Trades Academy or Gateway programmes.
- Achievement of, or on track to achieve, a Vocational Pathways Award (Creative Industries, Primary Industries, Service Industries, Social and Community Services, Manufacturing and Technology, Construction and Infrastructure).
- Participation in vocationally-oriented subjects offered by the school.
- Participation in available courses or programmes that contribute to success in their chosen pathway e.g. driver's license courses.

### Privacy Statement

Information contained in this application form will be managed in line with the Privacy Act 1993 and will be used to administer the Prime Minister's Vocational Excellence Award. The names of Award winners may appear on The Prime Minister's Vocational Excellence Award website, the Ministry of Education and strategic partner websites and may be published in articles and advertising. The Ministry of Education may also use this information for research and statistical purposes.
