Veterinary Report : **Lot 352 Always B Miki X Holme Fire** , a Standardbred Colt,
Owned by Renwick Farm, P O Box 11047
Sockburn
CHRISTCHURCH.

History: Epiglottic entrapment identified on pre-sale endoscopy in December 2020.

Surgical Procedure: On 8th January 2021, the epiglottic entrapment was corrected via endoscopically guided laser surgery performed under standing sedation without complication. The horse made an uneventful recovery post operatively.

Follow up endoscopy: A Follow up endoscopic examination was performed on the upper respiratory tract on 3rd February 2021. There is no evidence of continued epiglottic entrapment post surgery.
