With a floor area of 170 sqm, the layout has been carefully planned to support comfortable and practical everyday living.

The home includes three well-proportioned bedrooms. The master suite features a walk-in wardrobe and private ensuite, creating a peaceful retreat within the home. The remaining two bedrooms are positioned together and are serviced by a centrally located family bathroom, providing a functional arrangement for family or guests.

At the heart of the home is the open-plan kitchen, dining and living area. The kitchen includes a central island and a walk-in pantry, offering generous storage and workspace while maintaining connection to the dining and lounge areas.
