Total Floor 305m<sup>2</sup>

Section 4500m<sup>2</sup>

Spanning 305sqm, the Glentanner plan has been thoughtfully designed to support modern family living through a combination of open shared spaces and private retreat areas.

Defined by clean lines and layered materials, the home delivers a contemporary design with strong everyday functionality. At the centre of the home, the kitchen features a spacious scullery and connects seamlessly to the dining and living areas, creating a practical hub for entertaining and daily life. Large openings extend to the alfresco area, supporting easy indoor-outdoor flow.

Four well-proportioned bedrooms provide flexibility for growing families, including a private master suite complete with tiled ensuite, walk-in wardrobe, and its own adjoining lounge area. A separate WC, double internal access garage, workshop space, and laundry further enhance the home's functionality and flexibility.
