Everything You Call Home

 Total Floor 286m²

 Section 441m²

Spanning 286sqm across two levels, the home features four bedrooms and multiple living spaces, with a layout designed to provide flexibility for family living.

On the ground floor, the central kitchen features a walk-in pantry and connects to the dining and living areas, with easy flow out to the patio. A private master suite includes a walk-in wardrobe, tiled ensuite and its own lounge with powder room.

Upstairs, a second living area opens to an alfresco balcony, providing another space to relax or gather. The second bedroom includes a walk-in wardrobe and tiled bathroom, while two additional bedrooms complete the upper level.
