Everything You Call Home

 Total Floor 218m²

 Section 499m²

Spanning 218sqm, the home features three bedrooms and two living areas, with a layout designed to provide plenty of space for both everyday family living and quieter retreat.

The open-plan kitchen includes a walk-in pantry and connects easily with the dining and living areas, which open out to an alfresco space. A separate lounge provides an additional living area, while a dedicated office adds flexibility for working from home or study.

The master suite includes a walk-in wardrobe and tiled ensuite, while two additional bedrooms are supported by a tiled family bathroom and separate WC. A double garage and laundry complete the practical single-level layout.
