 Total Floor 201m²

 Section 1025m²

Set on a generous section, the 201 sqm layout provides room to live and unwind in a sought after area of Pukekohe.

With 1025 sqm of land, there is space for lawns, gardens and outdoor living that many new builds cannot match.

The main living space forms the centre of the home, bringing together the kitchen, dining and family area in one light-filled, easy-going zone. The kitchen includes an island bench, quality appliances and a walk in pantry. Large sliders open to outdoor areas.

A second lounge sits just off the kitchen, offering a flexible retreat for quieter moments, movie nights or hosting visitors. An office nook nearby provides a useful spot for work, study or organising the household.
