 Total Floor 170m²

 Section 651m²

Spanning approximately 170sqm, the single-level home has been designed to support practical family living.

At the centre of the home, the kitchen features a walk-in pantry and connects to the open-plan dining and living area, creating a generous space for everyday family life. The layout also includes plenty of storage throughout the home.

Four well-proportioned bedrooms include a private master suite complete with walk-in wardrobe and ensuite. The remaining three bedrooms are supported by a family bathroom, while a separate laundry and double internal access garage complete the practical layout.
