Everything You Call Home

 Total Floor 237m²

 Section 36200m²

Spanning 237sqm, the single-level home features four bedrooms and two separate living areas.

The open-plan kitchen, dining and family area creates the main shared space, with a separate lounge providing an additional area to relax or entertain. A dedicated study nook adds further flexibility for working from home or study, while the living area extends outdoors.

Four well-proportioned bedrooms include a private master suite with a walk-in wardrobe and ensuite.
