 Total Floor 226m²

 Section 466m²

Spanning 226sqm, the Takapuna plan features four bedrooms and two bathrooms, including a private master suite with its own ensuite.

With two separate living areas and a well-planned single-level layout, the home provides plenty of flexibility for family living. The remaining three bedrooms are supported by the family bathroom, creating a practical layout for a range of households.

At the centre of the home, the light-filled open-plan kitchen, dining and living area features a raked ceiling, adding to the sense of space and light. A separate lounge and dedicated study nook provide additional flexibility, while the main living area connects seamlessly to the alfresco area.
