Spanning 228sqm, the thoughtfully arranged layout separates living and sleeping zones across two levels to maximise both privacy and connection.

The open-plan kitchen, dining and living area forms the heart of the home, with a spacious kitchen layout featuring a central island and ample storage. Large openings connect seamlessly to the outdoor entertaining area, creating a natural extension of the living space and framing the lake beyond.

Upstairs, the master suite includes a walk-in wardrobe and private ensuite, positioned to take advantage of the elevated setting. Three additional bedrooms are well proportioned and supported by a family bathroom, while a second living area provides flexibility for growing families or guests. A dedicated study nook offers a practical space for working from home or study.
