Spanning 254sqm, the Arrowtown design brings together considered design and practical living in a well-balanced single-level layout.

The open-plan living and dining area is enhanced by a raked ceiling, creating a sense of light and volume to form a welcoming central hub for family life.

Large sliding doors allow seamless indoor-outdoor flow, making it easy to extend living and entertaining into the surrounding landscape. The kitchen features a walk-in pantry and connects effortlessly to the main living spaces. A separate lounge provides a second living zone, offering privacy when needed and flexibility for growing families. The office nook adds further practicality, ideal for working from home or study.
