Generous proportions and refined finishes make this home a standout for modern rural living.

Spanning 264 sqm, it offers five bedrooms (two with ensuites) and a full family bathroom, providing comfort for growing families or guests. The open-plan living area, with a raked ceiling, is bright and spacious, flowing seamlessly to the outdoors.

A separate lounge adds privacy and flexibility, while a well-appointed scullery makes entertaining effortless. The master suite features double walk-in wardrobes with a luxurious finish. As with all our designs, we can adapt this home to create your perfect space.
