Clyde Plan

 Total Floor 205m²

A refined home crafted for modern urban living with effortless style.

This 205sqm design features three bedrooms, two bathrooms, and a spacious separate lounge for relaxing or entertaining. The large scullery adds practical kitchen space, while a study nook offers flexible work or study options. With a double garage and clean, contemporary lines, Clyde combines a thoughtful layout with elevated finishes to create a standout family home. This design offers a flexible base to customise according to your lifestyle.
