Kahu Plan

 Total Floor 215m²

The Kahu is a modern, elegant home defined by clean lines and flexible spaces for stylish family living.

Offering 215 sqm of carefully planned design, it features four bedrooms, two bathrooms, and a separate WC. The open-plan kitchen with a walk-through pantry connects to light-filled living and dining areas. A separate family room, dedicated laundry/mudroom, and double garage complete the layout, offering comfort, practicality, and timeless style for urban life. As with all our designs, we can tailor this plan to suit your individual style.
