FIRST FLOOR

GROUND FLOOR

This contemporary 179 sqm two-storey home is designed for compact sites without sacrificing comfort.

Living and sleeping zones are thoughtfully separated for practicality and privacy. Downstairs features three bedrooms, including the master suite with ensuite and walk-in wardrobe, two additional bedrooms, and a family bathroom. Upstairs includes an open-plan kitchen with pantry and dining area that opens onto a balcony. A separate lounge and powder room complete the upstairs living. Defined lines and mixed cladding create a bold exterior.
