Kelper Plan

 Total Floor 169m²

The Future of Living Better.

At 169sqm, the Kelper design is ready to be unlocked and has much to offer! This home shines with thoughtful design elements, starting with its spacious open-plan kitchen and great room offering ample space for family gatherings. A Platinum High Performance Home is more than just a home, it's a lifestyle upgrade waiting for you with reduced energy costs and a smaller carbon footprint.
