Kererū Plan

 Total Floor 221m²

Strong architectural design meets versatile family living in this spacious 221sqm home.

Four bedrooms and two bathrooms provide plenty of room, while two separate living areas, including a private lounge, offer options for relaxation and entertaining. The open-plan kitchen with walk-in pantry connects effortlessly to the living spaces, creating a seamless flow. With a double garage and clean, contemporary finishes, this home balances style and practicality for modern life. All of our plans can be adapted to reflect your style and requirements.
