Kingfisher Plan

 Total Floor 184m²

A stylish single-level home designed to suit busy family life.

Designed across 184 sqm, the Kingfisher plan includes three bedrooms and two bathrooms, plus a separate WC. The master suite features a walk-in wardrobe and ensuite, while the open-plan kitchen with walk-in pantry adjoins dining and living areas, creating a natural connection. An office adds flexibility, and the double garage with laundry rounds out the floorplan. Strong form and brick cladding give this home a modern profile. This design provides a versatile foundation that can be personalised to your lifestyle.
