 Total Floor 157m²

This modern home has a compact footprint designed to make the most of every space.

With 157 sqm of easy, efficient living, this three-bedroom home is a great fit for growing families or busy professionals. The open-plan kitchen, dining, and living areas connect to outdoor living, while two separate WC's add everyday practicality for busy households. A built-in office nook is ideal for working from home, and a single garage adds everyday convenience.
