Taranaki Show Home

With a 265sqm footprint, the home offers a spacious and practical layout suited to a wide range of households.

This 265sqm home features an open-plan kitchen, dining, and family area opening to a covered outdoor space, with a double-sided gas fire linking to the separate lounge. Raked ceilings, a 2.5 metre stud in the foyer, and 2.2 metre doors enhance the sense of space.

Three bedrooms include a master suite with tiled ensuite and walk-in dressing room, with a practical three-way bathroom serving the remaining rooms. A dedicated office adds flexibility, and a triple garage, schist pillars, and clean exterior detailing complete the design.
