Works will include removal and reinstatement of asphalt, traffic signal detection loops, pram ramps and road line marking. You may also notice some odor which is common when asphalt works are underway.

### Traffic changes

To safely undertake these works, lane and speed restrictions will be in place.

**Marie Clarke Drive will be intermittently closed at the junction with The Grove Way between 7pm and 6am for the duration of the night works, weather permitting.** Detours will be in place via Bicentennial Drive. The Grove Way will remain open. See map overleaf for more details.

Vehicle access to and from the Park 'n' Ride will be maintained. Between 7pm and 6am during the night works, access will be via the Helping Hand Aged Care access road. See map overleaf for more details.

Access to local businesses and residential properties will be maintained throughout the works.

Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

### Temporary changes to public transport and bus stop

To enable these works to be undertaken safely, bus stops 62A east and west and 62 northeast will be intermittently closed at night during the works. Advanced notice will be provided at the bus stops prior to this closure occurring.
