

WORKS NOTIFICATION

OVINGHAM LEVEL CROSSING REMOVAL PROJECT

OVINGHAM RAILWAY STATION UPGRADE

MARCH 2022

Together with the Station Refresh program being undertaken along the Gawler line, the Ovingham Railway Station is set to also be upgraded. The PTP Alliance will deliver the upgrade, as part of the Ovingham Level Crossing Removal Project

What is being upgraded?

The Ovingham Railway Station upgrade will refresh the station and improve the user experience and access. The upgrade will include:

- new shelters, seating and bins;
- upgraded fencing, platforms and access paths;
- upgraded communication equipment and lighting;
- new Closed-Circuit Television (CCTV); and
- landscaping and new on-street carparks along Devonport Terrace.

Upcoming works

During March 2022, continuous construction works will be undertaken at the Ovingham Railway Station.

The PTP Alliance will be constructing 260 metres of new footings for the station, which will form part of the new platform. Activities will include:

- delivery of materials and machinery to the area;
- excavation of existing station platforms footings via vacuum truck;
- concrete cutting and removal of existing station platforms;
- removal of excavated material from site;
- installation of steel reinforcement; and
- concrete pours for the new station platform footings.

What to expect

Hours of work

Day and night works will occur continuously from 6am Saturday, 12 March until 6am Wednesday, 16 March 2022 (weather permitting). Day works will continue within the station area again from 6am Friday, 18 March 2022.

Traffic changes

To safely facilitate these works, speed and parking restrictions will be in place along Devonport Terrace, Ovingham. There will also be increased vehicle movement along Exeter Terrace.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if

OVINGHAM LEVEL CROSSING REMOVAL PROJECT

there is a need to temporarily restrict driveway access.

Please observe speed limits and traffic controllers when travelling through the area.

Public Transport

As part of works for the Gawler Rail Electrification Project, the Ovingham Railway Station is currently closed.

There is no change to public transport services and substitute buses will continue to service the Gawler rail line. For further information regarding public transport, please visit www.adelaidemetro.com.au

Pedestrian and cyclist access changes

There will be no changes to pedestrian and cyclist access. Pedestrians and cyclists are advised to follow existing directional signage.

Noise and vibration

Trucks, concrete saws, excavators, tippers, concrete pumps, compaction equipment and lighting towers will be used during these works.

Some noise disturbances can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents as much as practically possible.
